OFFICE NOTE.

Subject.

Acquisition of certain lands adjoining H. H the Maharaja's Chattram at Mysore

LAST REFERENCE:—

Letter No. 81 dated 14th October 1904, from the Palace Controller, Mysore.

When the Offg Muzrai Secretary inspected the Chattram in May last, he observed that there was a piece of vacant ground adjoining the Chattram on which the public were reported to be committing nuisance, while closely feeding was going on in the Chattram. The Palace Controller who was thereupon requested to favor Govt with his opinion in the matter of the acquisition of the vacant ground in question, has now submitted a report

together with a sketch of the locality

From the Vernacular records received with the above, it is observed that there are 2 plots of ground marked A and B in the sketch, situated to the north and the South-east of H H. the Maharaja's Chattram. The former is a vegetable garden measuring 28 guntas in the holding and enjoyment of one Raghavachar of Mysore, who appears to have purchased it some 20 years ago for a sum of Rs 400/-. He now agrees to part with this piece of land if he is paid Rs 250/- as compensation therefor.

The other plot of ground marked B in the sketch is a betel-leaf garden measuring 6 guntas and assessed at Re 1. It is at present in the possession and enjoyment of one Ranga Narasimhachar of Mysore. He has deposed before the Amildar of Mysore that the said land was purchased for Rs 519-10-6, by him in an auction conducted under

the orders of the Subordinate judge of Mysore. The purchase has however been made in the name of his son Ranga Raghavendra Narasimhachar (an authenticated copy of the Court's Certificate of sale is also in the file). The owner of this land says that he has no objection to part with it for a compensation of the bid-amount, viz Rs 579-10-6.

With reference to this latter plot of ground, the Palace Overseer says that the walls of the Chattram adjoining it and the Chattram drain are in a dangerous condition as the owner of the land has deepened the ground below the Chattram basement level for cultivation purposes, and that if early steps are not taken for the acquisition of this plot of ground, the Chattram walls will doubtless come down causing heavy loss.

The Palace Controller has accordingly recommended that both the above-mentioned lands should be

4

required in order to improve the sanitation and efficiency of the Chatram, and that if the same be sanctioned by Govt a reduction in the cost of compensation now claimed by the land holders is feasible

The Murrai Secretary, when he inspected the Chatram in October last, was also of opinion that the acquisition of both the above lands would be advantageous to the institution

The acquisition of these lands under the provisions of the Land Acquisition Regulation may be ordered. They are required not only to serve as open spaces round the Chatram, but also to provide for the proper drainage of the Chatram.

The Dy Comr may be requested to take order for the acquisition of the lands.

There is a saving of about 2000 Rs (2489-7-10) at the credit of this Chatram and the amount required for the acquisition (about Rs. 800/-) may, in my humble opinion be sanctioned when the Dy Comrs report is received.

Sir,

I have the honor to request reference to communications marginally noted regarding the acquisition of Land required for the purposes of the Maharaja's Chattram in the Old Agrahar, Mysore, City. The matter has long since been pending: still no decision has been arrived at. The need for the acquisition of the portion lying immediately to the East of the Smartha Kitchen Block is now imperative as unless this portion is declared our property, we cannot put on hand the work of replacing the present Arcot tiles on the roof thereof with Mangalore tiles in accordance with the estimate recently sanctioned by Government. This work is already in progress so far as the Nothern side of the Eastern wing in other words, the Madhva Kitchen Block, is concerned.

Correspondence ending with Secretary's No 2260 of 15th Dec 1904.

I accordingly request the favor of your having the needful steps

steps taken for the usual Declaration being published in the Gazette and possession of the Land in question being handed over to us pending the settlement of the question of compensation therefor by the Deputy Commissioner in due course.
